

Youth Ministry Specialization 2016-2017

Office of Religious Education and Youth Ministry
Archdiocese of San Francisco

OREYM is pleased to offer Youth Ministry Specialization for those who work with adolescents. This is the first year of a two year process. These workshops can be taken individually or altogether. Those who complete the series will receive an Archdiocesan certificate in Youth Ministry Specialization. Although anyone interested can attend the workshops, one must have a current Basic Catechist Certificate in order to obtain a specialization. It is expected that anyone who teaches youth also be trained in ongoing formation through the CA Catechist Guidelines.
